Answer

MINISTER OF STATE FOR URBAN DEVELOPMENT & POVERTY ALLEVIATION (SHRI BANDARU DATTATREYA)

(a)to(e): Water supply and Sewage being State subjects, it is the responsibility of State Governments to plan, implement, operate and maintain water supply and sewage facilities and make adequate provision of funds in thier State plans for the purpose. However, in order to supplement the efforts of the State Governments for providing water supply facilities to the towns having population less than 20,000 (as per 1991 census), a Centrally sponsored Accelerated Urban Water Supply Programme (AUWSP) was launched during 1993-94 in order to provide Central assistance to the State Governments on 50:50 matching besis between Centre and State. Under AUWSP, the details of schemes approved in the newely created States of Jharkhand, Uttaranchal and Chattisgarh are at Annexure I, II & III respectively. There is no Central Sector Scheme under which funds can be provided for provisions of sewage facilities.

(f): No, Sir.

(g): Does not arise.
